

# CASE STUDY

**ProGanics™**  
BIOTIC SOIL MEDIA™

## Cosner Corner Publix

Before Installation - 6/15/18

After Installation - 8/7/18

<b>CITY:</b>	Fredericksburg, VA
<b>GENERAL CONTRACTOR:</b>	Henderson Construction Co. Inc.
<b>SUB-CONTRACTOR:</b>	Finish Line Environmental
<b>LOCATION:</b>	9601 Jefferson Davis Hwy., Fredericksburg, VA 22407 off exit 126 on I-95
<b>SOIL AMENDMENT REPLACEMENT:</b>	<b>ProGanics:</b> 60 bales per acre
<b>GRASS SEED:</b>	<b>soilDEFENDER Cool:</b> 200 lbs. for one acre
<b>OTHER AMENDMENTS USED:</b>	Sol-u-cal: 10 bags per acre 10-20-10 organics: 5 bags per acre Hydra-Cal: 6 bags per acre 15-30-15: 6 bags per acre Enviroblend: 20 bales for one acre
<b>NOTES:</b>	Before opening of Fredericksburg's newest grocery store Publix, the general contractor subbed out Finish Line Environmental to help get vegetation established in the parking lot area. On June 15th, Finish Line used the soil amendment product called ProGanics in lieu of compost to help bring up the organic matter level that was right at 2%. Instead of using straw or EC-2 matting, Finish Line used 20 bales of EnviroBlend as the capping for this site.
